WMU...

Well, it is that time of the year again. We are planning our Bible Reading Marathon, to be held May 1-5. This will be our 8th year! Please start praying now for all that will be going on there, and that we will be able to lead others to Jesus during this time. Everyone is needed – so please pass the word to your churches and call Tina to get your time scheduled. If you have not participated in this before – now is the time to call and join us. If you have helped us before, we still need you and even more from your church. With all of us pitching in, and doing our part, we will have all the times scheduled. Thursday, May 5 at noon will be the National Day of Prayer Celebration. The way things are in our world today, we need this more than ever. Please be praying for our nation as they will be reading the Bible in Washington, D. C. for the 22nd time. God has truly been so good to us, so let’s work together and just see what all He will do for us, if we do our part.
